DETAILED ACTION

This is a response to the amendment filed 8/12/2005. Claims 1-3 and 5-22 are pending and are under examination.

Claim Rejections - 35 USC § 102

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

2. Claims 15-16 and 18-20 remain rejected under 35 U.S.C. 102(b) as being anticipated by Darzy (USP 6,456,051).

Figure 4 of Darzy shows a apparatus comprising a first voltage drop means (26), a pass means (2), a sense means (Rs) and a comparator means (28) as called for in claim 15.

Regarding claim 16, figure 4 shows a curent source means (8), a resistor means (26).

Regarding claim 18, figure 4 shows sense means a resistor Rs.

Regarding clam 19, pass means is a FET.

Regarding claim 20, the comparator 28 is a low offset comparator.

Allowable Subject Matter

3. Claims 1-3, 5-14 and 21-22 are presently allowed.

4. Claim 17 is objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Conclusion

5. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
